"CADET" HOSIERY

Not a business day in the year, but what new customers are added to the long list of "Cadet" Hosiery users. And the reason is very plain, too, people who buy them once, are enthusiastic over their exceptional merits, can't help but tell their friends about them, who in turn buy "Cadet"; they also tell their friends about them, and so on, the great chain of "Cadet" Hosiery patrons extends from sea to sea, and from lake to gulf. There's no other Hosiery in the world so good at the price—no other Hosiery EVER produced which possesses all the wearable and wantable qualities as "Cadet." And every pair fully guaranteed. You take no risk, absolutely none, in buying them. Here's what the makers of "Cadet" Hosiery say: "Purchase a pair, wear them—give them good, everyday wear—give them all the test you want, and if they do not meet with your approval as the best 25c Hosiery you ever owned, take them back to your dealer and get another pair free of charge, at our expense."

About as strong a guarantee as could be made, think you? Linen spliced heel and toe in Ladies' or Men's numbers; linen spliced heel, toe and knee in Boy's and Girl's numbers. This "Cadet" Hosiery guaranteed fast black. All the different styles, for men, women and children constantly in stock.

SEVENTEEN MINERS KILLED

TERRIFIC EXPLOSION IN A MINE NEAR ENSLEY, ALA.

Five of the Dead Men are Whites and the Other 12 are Negroes.

Birmingham, Ala., Feb. 3.—Seventeen men are dead as the result of an explosion yesterday in the No. 2 Short Creek mine of the Birmingham Coal and Iron Co. Five of the dead are white and 12 are negroes.

The explosion occurred just before noon and is thought to have been caused by a windy shot. The mines are about ten miles west of Ensley, on the Birmingham Southern railway, and are difficult of access. The 17 bodies were taken from the mines and the rooms and passages are clear. The mine itself is practically uninjured.

Alexander Bonnyman, manager of the company, was the first to leave Birmingham for the scene of the disaster, although Mine Inspectors Hillhouse and Flynn hurried to the scene to render what aid they could and to make an inspection. Officials of the company did not know the exact number of men in the mine at the time of the accident.

Ambulances were sent from Ensley to the scene and coffins will be sent to the ill-fated mine, which was running on short force.

TO PREVENT BEING OUSTED

The Standard Oil Co. Makes a Novel Proposal to the Missouri Supreme Court.

Jefferson City, Mo., Feb. 3.—Attorney General Major has not decided whether he will recommend to the supreme court of the state acceptance of a novel proposition which the Standard Oil Co., through its attorneys, filed with that tribunal yesterday. The proposed procedure is said to be without precedent.

It is proposed that in lieu of the ouster decision against the company, a new Missouri corporation be formed to succeed to the business of the Standard Oil Company of Indiana in this state. The stock of the new company, less enough shares for the qualification of directors, is to be issued to two trustees, one named by the state and the other by the company, but both approved by the supreme court. These trustees are to act as officers of the court and as such control the stock of the new company. The stock of the Waters-Pierce Oil Co., now owned by the Standard Oil Company of New Jersey, is to be turned over to the new company also.

Nothing is said as to the remission of \$150,000 in fines levied against the Standard Oil Company of Indiana, the Republic Oil Co. and the Waters-Pierce Oil Co. The supposition is that the companies are willing to pay these.

Would Provide Hospital for Drunks.

Columbus, O.—On the ground that the Ohio hospitals for insane are becoming filled with inebriates, Representative Benz of Ottawa county proposes that a hospital for drunkenness be provided by the state to relieve the rest of the state hospitals. He proposes that the Cleveland State hospital be used to treat victims of drink alone, and believes that in this way the cost to the state would be nothing. The patients of the Cleveland hospital could be transferred to other institutions.

Suicided in a Hotel.

Mendham, N. J., Feb. 3.—John Gilmer Speed, the author and journalist, committed suicide by shooting himself in the head while in his bedroom at the Phoenix house here yesterday. He left no explanation of his act.

The Oldest Minstrel Dies.

Boston, Feb. 3.—The death is announced of Charles H. Atkinson, said to have been the oldest negro minstrel in the United States, aged 72 years. He was famed as a ballad singer.

Steamship Merger is Accomplished.

Detroit, Feb. 3.—At the annual stockholders' meeting yesterday of the Detroit & Cleveland Navigation Co. and the Detroit & Buffalo Steamship Co., the recently announced \$1,000,000 merger of the two companies by the purchase of the latter by the former was ratified.

Reduced Coal Prices.

I have reduced the price of coal at the Boardley street station to the following figures: Screened coal, \$1.10 a ton; run of mine and nut coal, \$1.20 a ton. I have 100 tons of coal on the platform. A. G. Uhlman.

A PLOT TO KILL A CONTRACTOR

IS ALLEGED TO HAVE BEEN
FRAMED UP BY HIS WIFE AND
HER ALLEGED PARAMOUR.

WAS MURDERED IN A CELLAR

Man Who Boarded at the Home of the
Murdered Man is Held by the
Police and Given the
"Third Degree."

Newark, N. J., Feb. 3.—For over five hours yesterday the police subjected Mrs. Mary Wilhelm to a searching examination in an effort to obtain evidence that would lead to the arrest of the slayer of her husband, Frank Wilhelm, a contractor and justice of the peace, who was found dead in his cellar by his wife on Monday with a bullet hole in his forehead.

The police are working on the theory that Wilhelm was killed as the result of a plot.

The first development in the case came when the police learned from Mrs. Sarah Dillon of New York, that Nicholas Sica, a boarder at the Wilhelm home, and Mrs. Wilhelm were friendly and that the contractor had threatened to sue for divorce and name Sica as co-respondent. Sica was taken into custody by the police, who later called upon Mrs. Wilhelm to tell what she knew concerning the case.

According to the police Mrs. Wilhelm said that she had been friendly with Sica and that he promised to marry her if Wilhelm obtained a divorce. Her examination developed that the property supposed to have been owned by her husband stood in her name. Mrs. Wilhelm said the last time she saw her husband was in New York on Sunday. Later she said she saw him at her home Monday, she thought.

Sica was given the "third degree" by the police and said he was at the Wilhelm home at 3 o'clock Monday and talked with Wilhelm and his wife for a few minutes, after which he left. Between 3 o'clock and 6 o'clock, Sica stated, he called at several places, but in every case he failed to find the persons he sought. The physicians state that Wilhelm was killed some time after 3 and before 6 o'clock. The police say that Sica will be arraigned today, when formal charges will be preferred against him unless evidence can be obtained to substantiate his story of his whereabouts after leaving the Wilhelm home.

Will be Held at Toledo.

Toledo, Feb. 3.—The annual maneuvers of the naval reserves will be held here this summer at the same time that the maneuvers of the United States army, Department of the Lakes, are being conducted. This is the word received from Congressman Sherwood and a committee from the Toledo chamber of commerce at Washington. The exact date will not be determined until Gen. Grant makes known the date for the maneuvers on land.

Stolen Kisses are Worth \$10 Apiece.

Chicago, Feb. 3.—Kisses are worth \$10 each provided they are stolen from one landlady who happens to be married. Such was the value placed yesterday on osculations by Judge Newcomer in the municipal court who fined John Fallon \$30 and costs for stealing three kisses from his landlady.

Woman Killed by a Train.

Elyria, O.—Merrily chatting with others of a dancing party waiting for a train here early yesterday morning, Mrs. Louis Beasinger of Lorain was struck and killed by a passenger train, the noise of whose approach was drowned by the roar of a passing freight train on another track.

\$125,000 Fire Loss.

Toledo, O.—Fire of unknown origin yesterday destroyed the plant of the American Traction Axle Co., causing a loss of \$125,000.

RECORD OF A DAY IN OHIO

STORIES CULLED IN VARIOUS PARTS OF BUCKEYE FIELD.

A Chronicle of Accidents, Fires, Court Decisions and Other Happenings.

Agreed on a Harmony Program.

Columbus, O., Feb. 3.—Two delegations of Montgomery county Republicans departed to their homes at Dayton last night after agreeing to a settlement of the difficulties which have involved contests for over a year. The Bieser and Nevin committees presented their claims to regularity to a board of arbitration. The board proposed a basis of settlement, to this effect: The Bieser committee is to elect 12 new members to compose a county committee of 27, the enlarged committee to conduct the municipal campaign and to be recognized by the state committee until a new committee is chosen at the 1910 primaries. The Nevin committee is to dissolve.

Inquest in Forechner Case Begins.

Dayton, O., Feb. 3.—The inquest in the Forechner murder case was begun yesterday by Coroner Swisher. Mrs. Frederica Geppert, mother of the murdered girl, said that the girl had carried a hat pin in her hand and for some time prior to her death when going on the street, and seemed to have a premonition that violence was impending. She could not say whether or not the girl thus carried her hat pin on the night of the murder. The four sisters and a small brother of the murdered girl also testified, but developed nothing of importance.

Court Declares Law Invalid.

Columbus, O., Feb. 3.—The supreme court yesterday, by affirming the judgment of the Cuyahoga county court, knocked out the special law limiting the jurisdiction of justices of the peace to the townships in which they were elected. The law was enacted so as to keep out of the cities of Cleveland and Columbus justices elected in rural localities and who under a general act are empowered to hold court in any part of the county. The decision is that the act is special legislation and as such is invalid.

The Courts Will Decide.

Columbus, O., Feb. 3.—John Sullivan of Hamilton, appointed member of the Ohio railroad commission by Gov. Harmon, stated yesterday that he had not decided just when to begin suit to dispossess J. C. Morris of Youngstown, who refuses to surrender the office on the assumption that his appointment to it by ex-Gov. Harris was valid. The statement was made at the governor's office that the question would be carried to the courts for settlement.

HOW'S THIS?

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly upon the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Hexamethyleneesteramine.

The above is the name of a German chemical, which is one of the many ingredients of Foley's Kidney Remedy. It is a methylene compound recognized by medical test tubes and authorities as a reliable and powerful antiseptic for the use of Foley's Kidney Remedy. It is a safe and certain remedy for all cases of urinary irregularities, and is a valuable remedy for all cases of urinary irregularities. Address, The Mother Gray Co., Lowell, Mass.

If you haven't the time to exercise regularly, Dean's Rheumatism will prevent contraction. They induce a mild, easy, healthful action of the bowels without straining. Ask your druggist for them. 25c.

Hoarse coughs and stuffy colds that may develop into pneumonia over night are quickly cured by Foley's Honey and Tar, and it soothes inflamed membranes, breaks the lumps, and expels the cold from the system. John Taylor.

If You Are As
Particular

about the quality of your toilet supplies as we are, you will always deal here.

We consider quality so important that we never carry anything in stock which we cannot conscientiously recommend. That's why the people of this vicinity have learned that whatever they buy here can be depended upon.

This assurance and reliability should be sufficient inducement to you to buy all your toilet requirements here—also further inducement is found in the complete variety of goods we sell, and the unusually reasonable prices at which we sell them.

F. A. MORRIS,

The People's
